Patricia (Hiett Anderson) Smith
August 13, 1929 –
October 26, 2018

Patricia Hiett Anderson Smith passed away peacefully in her sleep on October 26, 2018. This is our obituary for a great Woman, Mother, Grandmother, and Friend born on August 13, 1929 in Racine, Wisconsin to the late Paul E. Collins and Mildred Shephard Collins. She leaves behind a very typical American dysfunctional family that she was very proud of. Pat was world-

renowned for her lack of patience, not holding back her opinion, and a knack for telling it like it is. She will be sorely missed and survived by her children: Walter and Maureen Hiett, Michael and Linda Hiett, Paul and Shelley Hiett, Debra and David Driscoll, Stephanie and Bruce Galbreath; along with her 10 grandchildren and 17 great-grandchildren. All whom loved her dearly and will never forget her tenacity, wit, charm, elegance, and her love for them. The memorial will be held at Coronado Christian Church, 118 Belvidere St, on Saturday, November 3 at 10:00AM. Special thanks to Hospice of El Paso and nurse Marjy Brady for their loving care.

Philip Edward Kenrick

September 13, 1953 – September 13, 2018 Philip passed away suddenly on September 13, 2018. He is survived by his sister Fern Goldstein (Eric) and his brother Anthony (Patricia), as well as his niece, Carrie Lee Kenrick, nephews, Matthew and Jonathan Goldstein and Joseph Kenrick, as well as many good friends in El Paso and throughout the US. Soon after he graduated from law school at Indiana University Philip relocated to El Paso and made it his home. He worked for over 20 years as a Public Defender for El Paso County and once remarked that he had devoted his life to keeping people out of jail. In that role he witnessed the good and the bad inherent in humanity but always talked about his work in enthusiastic terms. After retiring he kept in touch with colleagues on a regular basis and continued to take a limited number of cases until a few months ago. He had been ill for the past two years but was determined to live as full a life as possible. He had always enjoyed traveling and continued

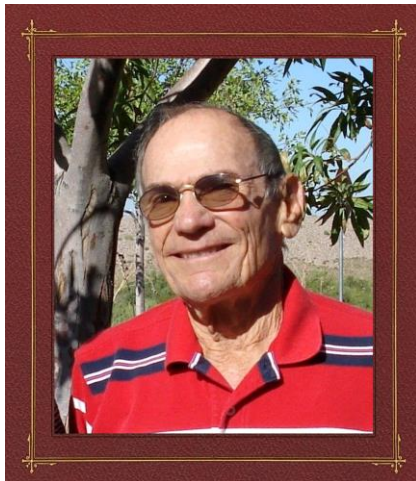

to do so up until May of this year. His nieces and nephews remember him as always being interested in their lives as well as being generous to them. He leaves behind many friends and colleagues who will miss his irascible sense of humor and his generous and compassionate nature.

Henrietta Weiss

1922 - 2018 Obituary [Condolences](#) [Flowers](#)

Our precious mother, grandmother, great-grandmother, aunt and friend peacefully left us on June 25, 2018, in Austin Texas. We now celebrate her extraordinary 95 years of life.

Henrietta was born in Bisbee, Arizona in 1922. At an early age she moved to El Paso with her parents, Bill and Lena Silver and her sister, Jeanette. She attended Dudley School and El Paso High School.

She married Harold Weiss in 1948 and they parented her children from a prior marriage, Gerard and Jack Neumann. Janice and Michael were subsequently born and the family moved from their Hague Street home to their Las Vegas Drive home. Harold and Henrietta owned Ellis Brothers, one of El Paso's first office supply stores, located across from the State National Bank in downtown El Paso. After selling the store, Harold and Henrietta began a retirement consisting of overseas travel, from

Mozambique to Australia and from Russia to Brazil.

Henrietta became a Bridge Life Master and played on-line tournaments well into her nineties. Also, well into her eighties, she worked for Gerard's recycling business. In addition to being an astute businesswoman and bridge player, Henrietta ruled in the kitchen. Rarely did she use recipes to achieve excellence in her cooking. Her instincts were unparalleled.

After the death of her husband, Henrietta moved to Austin to be close to Michael, Janice and granddaughter, Julia, and remained there until her death.

Henrietta weathered the Depression, World War II and the challenges that life often presents with an uncommon strength and intelligence. She battled cancer with the tenacity that guided her life. Henrietta was predeceased by her husband (Harold), her parents (Bill and Lena), her sister, (Jeanette Fenenbock), her son (Gerard) and her aunt (Necha Silver). She is survived by Janice, Michael, Jack (Benita), many grandchildren and great-grandchildren (including Canyon Gray to be born in late August/early September) and sister-in-law, Cecily Weiss. Her memory will be embodied in the lives of her family and friends. The Weiss family is eternally thankful for those who cared for their matriarch in the final chapter of her life: Will and Sana Henderson, Hospice Austin and Beth Flores. Charities that were close to Henrietta's heart include M.D. Anderson (Houston) and Marbridge Foundation Benevolent Fund (Manchaca Texas). Published in El Paso Times on June 29, 2018

Dixie Binning, our club's (Las Cruces Bridge Center) principal bridge teacher, and one of our most beloved members, passed away peacefully on Tuesday morning, April 3, 2018, at home surrounded by the dogs she loved. Over the past few weeks her health steadily declined as her lung function grew weaker and weaker. She returned to the hospital last week for additional treatment, but it proved in vain. This past weekend, the medical goal changed from treatment to hospice, with the ultimate aim to get Dixie stable enough to return home to her own bed so she could pass at home as she wanted. Dixie was completely lucid during this decision making and was able to make her own decisions regarding her final journey. On Monday, she returned to her home and dogs, with hospice care. Early Tuesday morning she died in the way she wished. We will of course have a memorial service for Dixie, with the date and time to be determined. We will announce it as soon as we are able. The entire board offers our deepest sympathy to all who considered Dixie a good friend and wonderful mentor. We are all diminished by her passing. Sincerely, The Board of Directors of ACBL Unit 380 - Julie, Alison, John, Linda, Robert, Dave, and Norman
