32	1.98	Cindy Osborn	55	0.60	Bernice Williams
33	1.98	Lorraine O'Donnell	56	0.60	Gerald Sullivan

Thank you from Las Cruces Unit President, Norman Duttweiler

Greetings all:

Before the days slip by, I wanted to thank everyone who worked on this past weekend's tournament, as well as everyone who attended the tournament. We need both sets of people (and many did both), and the result was a successful tournament with fun at the bridge table, fun socialization and camaraderie, and a decent financial result for our club.

I particularly want to thank:

•**Bob Craig** (and Peggy for help with the computer stuff) for running an incredibly smooth and professional event. We are really lucky to have someone of Bob's caliber available and willing to help us.

•**Linda Spengler** who did most of the prep by creating the boards and hand records and generally being willing to be available to help with the many questions that I certainly had.

The Hospitality Committee (headed by Kathy Clark) who set up and cooked and served and cleaned up and kept everyone well fed and happy (and yes, we will make sure to reduce the green chile on the pizza for next time!). Also, a big thank you to everyone who contributed salads, desserts, casserole dishes - all sorts of good stuff. Thank you - tournaments are a great opportunity to share, and all of you made the most of it.

•**Our friends from El Paso** - we couldn't really have a successful tournament without the large-scale participation of our sister club - and you guys didn't let us down. We will do the same for you in September!

•All the members of our **Unit 380 Board of Directors** - who helped in many ways before, during, and after the event - as well as former Board members who helped as well.

Congratulations! We have all done ourselves proud!

Norman
