

# American Contract Bridge League

April 18, 2018

Dear Unit #159 Bridge Players,

I hope everyone is doing well. A number of us just participated in the Las Cruces Sectional. It was good seeing so many from El Paso supporting their tournament as they also support ours. Good Bridge, Good People. Overall there were 133 people earning MPs with Bob Esch, Gerald Georges, Peggy Craig and Bob Craig leading the way!

We have a number of items coming up at the club:

**April 30, Monday, 12 pm: The new Monday afternoon game, no lunch break.** We are starting the game at noon so that folks will have the morning to make appointments and do errands. We are deleting the Monday evening game as it was not being well attended and hasn't made a number of times.

**May 6, Sunday, 1 pm. Special meeting for the Membership.** The meeting is for the approval of funds to replace the building roof and will be held prior to our Sunday afternoon game. We received 3 bids, evaluated them and selected a roofer. The meeting is to approve the funds for the work. We need to have 20% of the membership attend, no proxies.

**June 9, Saturday, 10 am. Special Hi-Low Game.** Parings will be done at the door. A lot of folks have asked that some extra games be held in some different formats. The first one will be a Hi-Low game and later in the summer, if this is well attended, we will conduct an "8s Enough" game. All of these games aimed at getting new players coupled with the more experienced players.

So, mark your calendars!! Be sure and check the club website, [elpasobridge.com](http://elpasobridge.com), to stay current on what is going on at the club. A big thanks to Peggy also for the great work she does on the website.

If you have any questions or comments please let us know. I look forward to seeing you all at the Bridge Center. If there is any change in your contact information please let us know.

Thanks, Ashley Erwin, President Unit 159
