Peter Peca presented Don and Gordon with their medals. A good time was had by all as Lorraine O'Donnell roasted Don and Gordon with one of her witty poems: [Flash and The Don](#). Selina Whitworth donned the tables with quite appropriate decorations and provided the medal sashes. The g'nosh the players brought was delectable.

On November 18th at the Charity Game, our members donated a total of \$720.00 which was given to the El Paso Rescue Mission. Many thanks to all!!

The Greatest Game in the World: Next year we should plan to participate in The Longest Day events. This year the Craigs will be out of town that day and did not schedule it. If anyone would like to donate to the Alzheimer's Association through the ACBL, we will get that information. **Please click [here](#)** and hear ACBL's CEO, Robert Hartman, being interviewed on the radio by Marilu Henner. It's a great promotion for the game of bridge.
