# Happy Rosh Hashanah

A still life arrangement for Rosh Hashanah. In the center is a clear glass bowl filled with golden honey, with a silver spoon resting on the surface. The bowl sits on a silver, textured plate. To the right of the bowl are several slices of red apples. In the foreground, a small cluster of bright red pomegranate seeds is visible. In the background, a shofar (ram's horn) with gold decorative patterns is partially visible. The scene is set on a wooden surface with a blue and white striped cloth.
